INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C. June 5, 1908.**

George Hawk,
Mulgrove, Okla.

Sir:-

Kindly advise this office under what names your father and mother were enrolled with the Eastern Cherokees in 1851.

The name "Jack Hawk" does not appear on that roll. If your father was enrolled, as you state, in 1851, he must have used his Indian name. Kindly furnish us with that name. Give the names of the members of his family who were enrolled with him. Was your mother enrolled with your father in 1851? Give the names used by your grandparents in enrollment in 1851. Were they ever enrolled with the Old Settlers?

Have you been enrolled by the Dawes Commission? If so, give your number and indicate on what roll your name appears.

Did any of your ancestors ever affiliate with any tribe other than the Cherokee?

Do you claim any Indian blood other than Cherokee?

Respectfully,

Special Commissioner.

My name is John Ussrey. My age is 39 years. I live in Sequoyah County. I was born and raised in Illinois District just across the line. I was ~~born and raised~~ enrolled by the Dawes Commission No. 17435, Cherokee Roll. I got the strip money. I get my blood from both sides. My mother was part Cherokee and my father part Creek. My father had no Cherokee blood that I know of. I am claiming through my mother. She had no other Indian blood than Cherokee that I know of. My mother's maiden name was ~~Eliza~~ Wicket, and Eliza Ussrey after marriage. She is dead; she died in 1884. She was about 45. I think she was enrolled in 1851. ~~My father was born in 1810 and died in 1880.~~ Before the war they lived near Tahlequah. My mother was the second wife of my father. I had one uncle Jess, and Mose and Bill Wicket. My mother's sisters were Catherine, and I do not remember the others. My two uncles lived in the Canadian District. I don't remember my grandparents on my mother's side. I don't know my grandparents on either side. My father's name was David. My father was raised principally in the Cherokee nation but I do not know where he was born. He was regarded as a Creek. I don't know whether they had any Indian names. I drew some Old Settler money through my mother's people in 1895. I don't know whether my father was regarded as an Old Settler.

Robert H. Williams being first duly sworn, deposes and says:

That I am 43 years of age. I claim my Indian descent through my mother. ~~I think my father also had some little Indian blood.~~ Cynthia Williams nee Marler is the one through whom I claim. She was my father's mother and was 1/4 Cherokee. My father is the one through whom I claim, and his mother Cynthia Williams. My mother was white. My father was born in Spartanburg District, S. C. in 1822. He must have left there during the year of 1846 and came to Texas where he lived until he died. My grandmother Williams was born in Spartanburg Dist., S.C. 1799. She left there at the same time that my father did. My grandmother died in Texas in 1852. I understand that my grandfather and grandmother lived with the Indians, but I don't know whether my father did or not. Don't know whether they were living with the Indians at the time my father was born. I suppose they lived with the Indians in S. C. but suppose they did not live with the Indians after they left there. My grandmother claimed to be 1/4 Cherokee. My father was recognized as a white man in the community where he lived. Don't know whether my father was on any roll or not. I had an aunt, ~~xxxxxx~~ Sarah Williams and she married a man by the name of January. She was my father's sister and she was enrolled in the Dawes Commission. I did not make application to the Dawes Commission for enrollment, nor did any of my brothers and sisters. My aunt made application to the Dawes Commission (as above stated) but her application was filed too late. Wm. A. Williams (43419) is a cousin of mine on my father's side. He claims only through the same source as I do. Samuel W. Gillespie is my nephew and claims through the same source. His number is 43654. Martha Ann Riley (42805) has no Indian blood but is claiming through her husband, a cousin of mine, and he claims through the same source as I do and through no other. Mollie F. Williams is my brother's wife. She has no Indian blood herself but claims for her minor children.

Sir:-

Kindly advise this office why your parents were not
admitted with the rest of the family in 1871.

Did they ever live with the Clarks as mentioned
in the records of the office? Were they entitled to burial
in the cemetery?

It may have been that they were, but that they were
not buried in the cemetery is a fact.

Very truly, as your service, here to the State.

Sir:-

Kindly advise this office why your people were
not included with the Eastern Cherokees in 1881.

Did they ever live with the Eastern Cherokees or
were they removed to their tribe? And they receive no
federal benefits?

If they were still in the tribe, what reason was there
for not including them in the list?

Will you please advise this office why they were
not included in the list? If not, please advise this
office why they were not included.

Respectfully,

Honored Sir:-

In answer to yours of the 5th, ultimo, in regard to my parentage, will say that I do not know the reason my parents were not enrolled with the Eastern Cherokee in 1851.

They have never lived with the Cherokees as recognized members of that tribe, neither were they admitted ~~xx~~ to tribal councils.

They were not held as slaves.

My Grand-parents died in Kentucky, about the year 1830, my parents moved from Kentucky to Arkansas in 1855.

I have applied to be enrolled by the Dawes Commission but have never heard anything from my application.

~~XXXXXXXXXX~~ applied to be enrolled under the name of Lveridge in the year 1895, and never heard anything from that application.

Hoping that this will enable you to trace my Indian descent, I am,

South A.D. 1901,

Dear Sir,

Sir:-

Kindly advise this office why you were not enrolled
in the South A.D. 1901.

Did you ever live with the Theroaks as a recognized
member of said family? Were you admitted to school
enrollment?

If you were born in a slave state, stating whether you were
born in the South or North is required.

If you are of pure American birth, state your name, age,
occupation, and place of birth. If so, give your name and
address of your parents if they were alive.

Were you ever enrolled by the same government
before, and if so, where and indicate on that roll your
name.

Very truly yours, J. H. HARRIS

Sir:-

Kindly advise this office why your parents were
not enrolled with the Eastern Cherokees in 1861.

Did they ever live with the Cherokees as recognized
members of their tribe? Were they admitted to tribal
councils?

If your parents were held as slaves, state whether
they were owned by white people or Indians?

Did any of your immediate relatives ever reside in a
community with the Cherokees? If so, give their names and
show how they were held.

Respectfully,

Sir:-

Please advise this office why your grandparents were
enrolled with the Eastern Cherokee in 1894.

Were your grandparents on your father's side really
Cherokee? If so, were they owned by white people or Indians?

Did they ever live with the Cherokees as recognized
members of their tribe? Were they admitted to tribal
councils?

Did any of your immediate relatives ever apply to
be enrolled with the Cherokees? If so, give their names and
addresses.

Very truly,
Sincerely,

Special Agent.

Dear Sir:- I do not know any of my great-grandfather, John Jackson, a full blood Cherokee through whom I claim was not enrolled with the Eastern Cherokees in 1891. I do not know when he died but he probably died about the time that enrollment was made.

My Grandfather, John Jackson (Great) from the best information I can get was never a slave.

My Great Grandfather was recognized as a Cherokee Indian when the treaty of 1866 was made from the best information I can get, but I have never heard whether or not he was admitted to their Tribal Councils.

I am only 30 years old and have never known or heard whether or not any of my relatives ever were or were not Cherokee Indians.

Yours,

Jesse C Osburn

Enclosed find an affidavit of Col. James O. Gordon, of Walker County, Ga. which explains and supports my claim better than I can. Col. Gordon resides in Decatur, which was originally Walker, as he suggests that he heard him say that. His residence is Ringgold, Ga. A.F.D.No. 1.

State of Tennessee)
) Personally appeared before me, *N.O. Henry*
Hamilton County) Clerk of the County Court of Hamilton County,
) Tennessee, Jack Harris with whom I am personally
acquainted and who being duly sworn deposed and said that he is a resident
and citizen of Catoosa County, Ga., aged 80 years. Affiant further states
that his father moved in 1838 from Chambers County Alabama and settled
among the Cherokees about five miles West of Ringgold in what was then
Walker County and is now Catoosa County, Ga and lived amongst them until
they were moved West in 1838 and affiant resided with his father on that
farm until he moved two miles South of Ringgold about 1844, and then moved
with him to a place now in the Government Park in what is now Catoosa
County,, near Lee and Gordon's Mill. and have resided within eight miles
of that place ever since. Affiant further states that he was well ac-
quainted with John Jackson, who was recognized as a Cherokee Indian during
all the time the Cherokees were here as he understood from John Jackson
himself, from John Jackson's family, from John Jackson's neighbors, after
John Jackson moved to the place where John Jackson died in about a mile
of Lee and Gordon's Mill and what is now part in Walker and part in Ca-
toosa County, Ga. Affiant knew John Jackson's family, they consisted
of five boys and three girls that I remember. The boys were named Henry,
who administered on John Jackson's estate, Alson, Robert, Andrew and John
Sr. and the girls were Elmira, who married Lewis Osburn, Lovie, who married
Chadoun and Susan, who married Jim Thomas. A

Affiant further says that said Henry Jackson resided at Cedar Bluff,
Ala and affiant knows nothing of his family although he knew him well.

Affiant further says that Alson resided near what was then called
Crawfish Springs, but now called Chickamauga in Walker County, Ga. Affi-
ant further says that said Alson was married to a Miss. Osburn a sister
to Lewis Osburn, but he does not know what family they had.

Affiant further says Robert that he was acquainted with said Robert
who resided with his father John Jackson until his father died about 1846
or 1848 and then moved away and affiant saw him two or three times after-
wards but does not know who he married or what family he left.

Affiant further states that said Andrew, son of said John Jackson
resided with his father until his father died and then Andrew married
Charlie Gordon's daughter. I believe her name was Louise. They resided
in Walker County not far from Crawfish Springs and then moved to Texas
since the Civil War. Affiant does not know what family he left nor whether
his wife and himself are still alive.

Affiant further says that Connor, the son of said John Jackson, who
as he always heard, was killed in the battle of Chickamauga but whether
he was ever married affiant does not know.

Affiant further says that he knew the said Elmira, daughter of said
John Jackson and that she married Lewis Osburn and said Lewis Osburn is
dead and his widow is dead leaving the following children, John, Frank,
Andrew, Sam Joe and Wash, Amanda and Linnie that I remember and I remember
the following grand children, now alive.

Jesse C. Osburn, who is the son of Joe Osburn. That is the only grand child that I know. As to Ibbie who married Chadouin they resided in Sequatchie Valley, Tenn. some where near Jasper and I do not know what family they left.

Affiant further states as to Susan who married Jim Thomas, resided after marriage on the old John Jackson place in Walker County, Ga. but I do not know what became of them or what children they left. Edwin Osburn is a son of Jesse C. Osburn.

James P. Risner, being duly sworn, deposes and says:

My name is James P. Risner; I was born in Magoffin Co. Ky. in 1848; I claim my Cherokee blood thru my father. I make no claim thru my mother; my father was born in Harlan Co. Ky. in 1809; my father claimed his Cherokee blood thru his father: to the best of my knowledge my grandfather was born in Old Virginia: in 1771. he died in 1861; I have been told that my grandfather lived with the Cherokees; I don't know when or where he lived with the Cherokees: In 1835 my grandfather and father thru whom I claim were living in Magoffin Co. Ky. in 1851 I and the ancestors thru whom I claim were living in what is now Magoffin Co. Ky. none of the ancestors thru whom I claim were ever held in bondage.

My father thru whom I claim was always a voter: my father never lived with the Cherokees as a member of the tribe that I know of:

My father was always regarded in the community in which he lived as being of Cherokee descent: he was a half Cherokee.

Johnson Risner, Application 42250 is the great grandson of Mike Risner.

Hon. Guion Miller,

Washington, D. C.

Sir:

Your letter of the 10th. instant received, in which you ask me to state, "under what names and in what Districts my parents were enrolled in 1851; whether I had been enrolled by the "Daws" Commission, and if so my number on said roll, also, were my grandparents ever enrolled, and whether any of my ancestors were "Old Settlers or SLAVES."

In reply, I will state that the name of my father was Jonas Philips, a white man, and I do not suppose that his name appears on any cherokee roll. The name of my mother was Sarah Philips, nee Timpson, she died many years ago, but all my people lived in Tahlequah District, Cherokee Nation, Indian Territory. The names of my grandparents on my mother's side, were John Timpson, a full blood Cherokee indian, and Lucy Timpson, nee Blair, also a cherokee, and a sister to George Blair, who used to live in Skin-Bayou District, Cherokee Nation, Indian Territory.

None of my ancestors were either Old Settlers or slaves.

I am a citizen of the Cherokee Nation, duly enrolled as such by the Hon. U. S. Commission to the Five Civilized Tribes, and my roll number is 20962.

My husband was a Union Soldier, and has an honorable discharge, under the name of "Nedson Arch" or "Archie", his father's name was "Arch", but he was raised by a full blood cherokee indian by the name of "Weley", and after he became a man, and to the present time he is known as Nelson Weley, his name appears on the "Daws" Commission rolls, as Nelson Weeley, and his roll number is 20961. My son Joseph, made application for a share of the Eastern Cherokee fund, as Joseph Weley, his name appears on the "Daws" Commission roll as "Joseph Weeley", number 20970.

Very Respectfully,

By W. H. Balentine Sr.

Messrs Dudley Wheeler
Washington,

Gentlemen:

Enclosed find two applications for old man Bean & wife both claim to have the Cherokee Indian blood in them; and they certainly show it, having all the features of an Indian. One, the woman, very near the color.

They are extremely ignorant, can't read nor write. The man is more so than the woman, he can't tell but very little about his ancestry, though I have known the families all my life and know as do others that they are considerably mixed with the Indians. They claim that they descended from that tribe whose chiefs were Ross, ~~Snake~~ Ridge & others. There is an old settler in this vicinity who was along when the Cherokees were taken from North Carolina.

and he says too of the Chiefs names were
Ridge & Ross. and that they came to
this town, Morganton, N.C., from Raleigh^{N.C.} &
started to the Indian Territory from
Morganton, and that there were 5 Chiefs
along. He also says that Muskrat & Picken
were prominent names among them.

Please advise me as to how much
money they might be eligible to, and if they
stand any showing to get any land.

Look over the Application & if
they are not right instruct me
but send more Blanks. I think there
are others in the County, but they are to
hunt up. If there is to be any correspond-
ence with them and you, or any one else
let it come in my care, as they will
not get it, nor can they do any thing with
it after receiving it.

Respectfully,
J. E. Hood.

P.S.

Would a photograph of these parties be of any service
in aiding their identity?

Gentlemen; Application
blankes for our children
were received and filled
out by us; as the
children are in differ-

We did not think that
we would have time
to send them all
around and have ^{them}
to make their affidavit
as we had made

and our children

were named in our

the filling of these

Alice L. Allen,

London, N.Y.

Dear Sir:-

I have received this letter and the name of your
brother. He was born in 1831, state whether or
not he was enrolled with the Eastern Cherokee at that
time. If they were not enrolled at that time, give the
reason for their non-enrollment.

Did they ever give up the Cherokee as a condition
of their removal? Were they admitted to tribal
rights?

If they were held as slaves, state whether they
were ever a white people or Indian?

Respectfully,

Yours faithfully,

A. L. Allen.

Wesley Ransom,

Albany, Miss.

Sir:-

Kindly advise this office why you were not enrolled with the Eastern Cherokee in 1881.

Did you ever live with the Cherokee as a recognized member of their tribe? Were you admitted to tribal council?

Were you held as a slave? If so, were you owned by white people or Indians?

State when you, or your parents, moved to Mississippi.

Respectfully,

Special Commissioner.

Thomas C. Rolan,

Judge, Ala. P.F.D. #1.

Sir:-

Kindly advise this office why your parents were not
well with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized
members of their tribe? Were they admitted to tribal
councils?

If they were held as slaves, state whether they were
owned by white people or Indians.

Did any of your immediate relatives ever share in a
treaty with the Cherokees? If so, give their names and state
what and where they were said.

Respectfully,

Special Commissioner.

Thomas C. Roden, after being first duly sworn,
deposes and says:

I am 63 years of age; was born in DeKalb County, Ala., and lived all my life here. I claim Cherokee Indian blood through my father. His mother was a half breed. Her name was Elizabeth Stine. I have never received any Indian money from the government and never before made application for any. My father never received any Indian money from the government. He lived in DeKalb County in 1852. I never heard him speak of a government agent through here about that time. I have never lived with the Indians. My father lived with the Indians. He stayed with them a day and a night just before they were carried away. My father could speak the Indian language. He was a recognized white man, and a voter. He was a farmer. I never heard him say why he did not go West with the Indians. Do not know where my grandmother came from. My father and mother first told me of my Indian blood.

Madam:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

If they were held as slaves, state whether they were owned by white people or Indians.

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Respectfully,

Special Commissioner.
